

MOONHACK BINGO

Cross off each box as you achieve it while working on your Moonhack Coding Challenge project. Can you be the first to get Bingo?

I learned a new piece of coding

I gave positive feedback to someone

I worked with a friend

I used clones

I tried something new

I changed a costume.

I made my own game element

I had fun coding!

I showed my project to an adult

I used a loop code

I used a variable

I gave credit to another coder

I submitted my project to Moonhack

I use branching code

I had to debug my code

I played someone else's game

I helped someone to improve their game

I gave my project a name

I am proud of my project

I added sound

I learned about being safe online

I added my own coding blocks

Someone else played my game

I helped a friend debug their code

I wrote instructions to play my game
